

# BINGEWORTHY PAIRINGS

At Wine4Food, we know you love to binge your favorite shows. We're here to make your experience even better! Pair these wines with your show of choice, and lose yourself inside the story. No matter your mood, we've got your match.

## OZARK, NETFLIX, JUAN BENEGAS MALBEC

It's no secret that some of us feel a little dark and moody from time to time during this period of social distancing. Why not lean into it, and watch our latest obsession, Ozark. Bask in the twists and turns of this epic drama as you savor your glass of inky purple, full-bodied Malbec. You're not alone. Hopefully this sensory experience will elevate your mood and make you feel better.

## SOMM SCHOOL INSIDER, BINGE NETWORKS, CLARA BENEGAS CHARDONNAY

If you love wine, tune into this exciting series to help you taste like a somm in under 10 minutes. Guess what, this is my show! It follows my journey inside the Sommelier Society of America, and makes wine fun and accessible. The best part is that you can follow the show's wine games at home. Taste Chardonnay with me as you binge the episodes on BINGE Networks. You can be a wine expert too, in the comfort of your own home. Also available on Roku and Wine4Food.com.

## ZOEY'S EXTRAORDINARY PLAYLIST, NBC, DOMAINE DE BELAMBRÉE ROSÉ

For a fun, colorful series with a dose of real life, choose Zoey's Extraordinary Playlist. I adored the musical numbers revealing true feelings, and often found myself smiling along. No one is watching, so pop open some springy rose, sip, and sing-along with the show. Wine bottles make great microphones.

## MOZART IN THE JUNGLE, AMAZON, KOPKE 10 YEAR OLD TAWNY PORT

Sometimes we want to feel fancy. If this is you, take a peek inside the New York Symphony for a wild ride. You'll love the love stories and drama. For this series, a 10-year-old tawny port is in order. Savor the sophisticated, nuanced aromas, and feel like you're in the front row of the symphony.

## SURVIVOR, HULU, SCHUBERT SAUVIGNON BLANC SELECTION

Ready for an adventure? Grab your packs, and get going. Immunity is on the line. Who will be the last one standing? You. With your lean, zesty, and outdoorsy New Zealand Sauvignon Blanc.
