

EXPRESS *yourself*

No matter your preferred genre of music, Wine4Food's Carole Mac has you covered. Whether you're feeling jazzy, ready to rock, contemplative, or primed to pop, there is a wine to match your vibe.

pop

FABIANO PROSECCO

Listen to hot pop while popping light effervescent, fun flirty bubbles that pair with anything, anytime! Our fave Pussycat Doll 'Carmit' has you covered with her banger 'It's Time' a perfect anthem for the world right now.

americana

ALEXANDER VALLEY CABERNET

Listen to deeply rooted multi-layered Americana while drinking a rich dark fruit California cab with subtle oak, that shows its age.

We are currently obsessing over Gothic Americana artist Julie Mintz and her John Denver Cover; Take Me Home, Country Roads. A classic vibe for dreaming of that perfect evening escape.

rock

VALLEY OF THE MOON ZINFANDEL

Magnify any rock party with an instantly recognizable Zinfandel, America's first true contribution to wine grape styles. This deep purple, jammy classic is the perfect accompaniment to jamming out to your favorite rock song. Look no further; your rock needs are met with U2' The Joshua Tree.

jazz

FABIANO VALPOLICELLA RIPASSO

Kick back with soulful jazz while sipping on a silky, textured Italian Valpolicella Ripasso that is always approachable and deliciously drinkable. Mix in the sultry vocals of Joelle Lurie from her album Take Me There and enjoy.
